<p><u>DESCRIBE THE PROJECT</u></p> <p>The 'Gananoque Pirate Invasion' festival is a home-grown, grass-roots family-friendly, traditional festival that celebrates and explores Canada's rich French and English pirate and privateer history and the economic and political context of the St. Lawrence waterway, Canada, and the world at that time.</p> <p>This is accomplished through an immersive, hands-on, full sensory experience with historically-accurate theatrical production, Celtic music, interactive displays, traditional games, and educational activities, including both French and English Canadian presentations that are of interest to all ages.</p> <p>These include:</p> <ul style="list-style-type: none"> - History of Warfare in the age of Pirates, including: <ul style="list-style-type: none"> ▪ Black Powder Weapons Demonstrations ▪ Sword Fighting Training and Demonstrations - Colonial French Cooking Demonstrations - Old-fashioned Gaming area, with activities for all-ages 	

<ul style="list-style-type: none"> - All-ages interactive Pirate Musical-theatrical show - Women Pirates in History Theatrical Presentation, and specifically within Canada - A Mermaid grotto and exhibit describing the true history and myths of Mermaids - Interactive Parrot Sanctuary - Face-painting - Treasure hunt that teaches use of a compass for navigation - Swashbuckling story telling in French and English - Variety of musical instruments, period-accurate costuming, skilled pirate actors, decorative displays, and sumptuously decorated tents to invoke the full-immersive experience of being in a real pirate encampment in the late 1600's-early 1700's. - All-Ages - Pirate Movie in the Park (Friday Night) - Pirate Mercantile - Vendors from city and abroad, encouraged to have an old-fashioned/pirate display <p>The festival is planned to take place over the August 18-20th weekend</p>	
<p>HOW WILL THE PROJECT ENHANCE THE TOWN OF GANANOQUE?</p> <p>The aim is for the festival to:</p> <ul style="list-style-type: none"> - Provide hometown old-fashioned and grass-roots family fun; - Become a catalyst for enhancing local community pride; - Have the 'Gananoque Pirate Invasion' festival become a focus of strong community effort, spirit, and civic identity - Become recognized internationally as a destination event annually that brings in a large volume of tourists - Provide revenue to town through supporting current economic development plans; - Provide opportunities for local residents to participate in community leadership, volunteership and paid worker opportunities; - Gathering annually to participate in a unique town celebration of the history of Pirates and French and English colonial culture in the region, the influence of economic and political structures in Canada 	

<p>and specifically the St. Lawrence region;</p> <ul style="list-style-type: none"> - Provide an opportunity for local businesses and community groups to advertise services and products in ways that reach a wider audience; - Bringing tourists to the area; - Foster creativity and imagination in all attending; - Develop Gananoque as a leading destination for history enthusiasts, pirate and re-enactment special interest groups - Work with local chamber of commerce and BIA groups to develop partnerships and increase traffic to their businesses 	
<p>PLEASE ATTACH THE BUDGET SHOWING ALL EXPENDITURES AND ALL SOURCES OF REVENUE REGARDING THIS PROJECT. (Include the budget for this project showing expenditures and all sources of cash revenue as well as Donations in kind.)</p> <p><i>Please see attached excel spreadsheets with this application</i></p>	
<p>WHAT ARE YOUR FUNDRAISING ACTIVITIES AND/OR SPONSORSHIP PLANS FOR THE UPCOMING YEAR?</p> <ol style="list-style-type: none"> 1. MyFM radio contest – “Pirate for a Day”- Children 10-13 years old For \$20 each, 20 child participants are chosen for Saturday and 20 for Sunday from those calling radio to register. These 40 children are provided with a special crafting/sewing lesson to help create key pieces of their costume, which they get to take home, sing with the pirates, a tug-a-war challenge, and a special group sword-fighting lesson. 1 winner will be drawn from participants at the end of the weekend to receive a \$50 voucher for Audrey’s Costume Castle. 2. Treasure Hunt through Gananoque Businesses – advertising supported by myFM Radio, local print media, and social media. Businesses pay a fee to participate in being a stop on the treasure hunt. Passports are used by the participants to go store to store, solve riddles, and then get a stamp. Completed passports are then submitted at the festival for a draw for prizes. 	

<p>3. Festival Sponsorship Program for local businesses with 3 tiers of participation (silver, gold, platinum) that gives them advertising space in the program, the passport, on social media, they can display banners at event, and Platinum sponsors also get entered into a draw to receive a free Capt'n Tor & The Naer Do Well Cads Pirate Invasion performance for their business.</p> <p>4. Donation boxes will be displayed at local businesses, and during festivals at all activity stations.</p> <p>5. 50-50 Draws will occur over both Saturday and Sunday of the festival</p> <p>6. Face-painting during the event</p> <p>7. Vendor booth fees</p> <p>8. Bottled Water Sales</p>	
<p>IF YOUR GRANT REQUEST IS APPROVED, HOW WILL YOU NOTIFY THE COMMUNITY ABOUT YOUR RECEIPT OF FUNDS?</p> <p>We will provide details of the grant through:</p> <ol style="list-style-type: none"> 1) Local media – including MyFM radio station, local print media, 2) Prominent signage on the festival site 3) Social media (Facebook, Twitter), 4) On all printed advertizing such as posters, scavenger hunt map, program 5) Ongoing acknowledgement from the main stage with statements of appreciation from the stage during all performances. 6) Some items purchased as festival infrastructure could have plaques and labels that honour the contribution of the town. 	
<p>HOW WILL YOU BE AFFECTED IF THE GRANT IS NOT APPROVED OR IF A REDUCED AMOUNT IS GRANTED?</p>	

<p>Without these additional funds this year, the purchase of infrastructure and development of attractions to utilize in future years of the festival will not be made. This impacts our ability to ensure sustainability and growth over multiple years. It will mean that every year we essentially will start from scratch, as we have this year – due to the festival not having sufficient infrastructure to engage a large enough crowd and care for the large volunteer force to do more than basically break even annually. Ideally, through the grant, we purchase the items necessary to assist us with revenue generation to support further growth year over year – getting larger and adding more interesting activities, musical and theatrical acts, attracting more and different vendors – all which draws a growing crowd to the area and stimulates economic growth and feelings of civic pride in having a festival that is home-grown, old-fashioned fun for all people.</p>	
<p>HOW WILL YOU EVALUATE AND MEASURE THE SUCCESS OF YOUR PROPOSAL?</p> <ul style="list-style-type: none"> - Tracking attendance - Revenue generation by Festival - Solicited formal participant evaluation - Informal compliments and comments received - Vendor feedback - Polling local businesses for notable sales increases due to festival - Partnerships developed for ongoing year-to-year sponsorship - Ability to develop and showcase new attractions and activities over previous year - Purchase of infrastructure items to facilitate revenue generation and increase viability of festival year over year 	
<p>ADDITIONAL INFORMATION (Please attach any relevant information)</p> <p>Last year this festival was put together and paid for by concerned and motivated townsfolk. Fundraising efforts and dedication made the event possible. From the time the townsfolk found out the normal pirate festival would not be happening as expected from previous years, and that they would need to pull together to make last year’s festival happen, was only 8 weeks – which is remarkable. This shows the interest and willingness</p>	

and desire to continue to have a pirate festival in the town – but also a festival with an old-fashioned feel that engages the participants in much closer and deeper ways.

While the town has experienced having a ‘Pirate Festival’ each summer for 7+ years – last year’s festival was not put on by the same group, the focus of the festival this past year was very different from previous years, and it saw the same number of festival goers as previous years – but at a fraction of the cost to put on and engaging far more local community members and businesses to participate.

It was a free event for the town and visitors, focused on family interactive fun; it encouraged hands-on family participation – getting families to play together, use their senses, get physical, and enjoy learning about the history and fantasy of Pirates.

It should also be known that this first ‘Gananoque Pirate Invasion’ festival held last year also received international attention – and was voted 3rd best Pirate Festival world-wide – surpassing well-established festivals in USA and Europe - based on the fact that it was so old-fashioned and pirate-focused (see attached Echo D’Mer Pirate Magazine)

We have attached to this proposal some reference letters from people who came to experience the festival, and people who volunteered to show the deep positive impact the festival had last year and the ‘good will’ it generated. From what we understand and saw, the number of overwhelmingly positive compliments and remarks received about the event was unusual to see – that a festival that was so old-fashioned and low-tech could generate such joy – this is what we are hoping to build upon and grow each year.

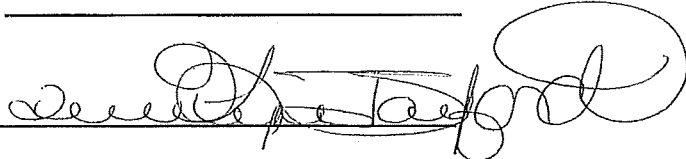

To be a jewel in Gananoque’s community that townsfolk can rally around - providing an inclusive space that celebrates culture, heritage, multiculturalism (with a increased awareness of French culture) and family fun.

Town of Gananoque Community Grants Program

<p>We hope the Town also sees these as worthy goals that they can invest in and know they will see a return that ripples out into the community, working to making it stronger, even more cohesive, and vital.</p>

Festival Committee
Gananoque Pirate Invasion
Gananoque, ON

Dear Committee Members

My family and I thoroughly enjoyed last summer's (23-24 July 2016) Gananoque Pirate Festival. It was a high light of the summer for our two sons, ages 7 and 5 years respectively. Being that they are both on the Autism spectrum, they were able to engage and have fun at the event. My oldest started to help run one of the games and my youngest, who loves dressing up in costumes, even came second place in the costume contest. The whole rest of the summer they both loved telling adults all about what they did at the festival.

This festival is an excellent event for families to play together, to sing together, dress up together and even learn something together about the world of pirates. Thank you for making my boys happy.

We are all looking very much to the festival this coming summer and are telling as many friends as we can to bring their families to Gananoque for this extraordinary community event.

Yours Truly,

Gananoque Pirate Festival

I first heard of the Pirate Festival in Gananoque in the spring of 2015. My teenage daughter who lives in Quebec was looking for events to attend while visiting me near Gananoque. We arranged for my son to come from London while his brother and sister were visiting from Quebec. My grandson was a big pirate fan. We thoroughly enjoyed the festivities. My grandson was a playground hero when he returned to London as he had met Captain Jack Sparrow. We were looking forward to the Pirate Festival in 2016. Similar arrangement but my older grandson came as well. My brother also brought 3 of his girls to visit the weekend of the Festival. My son from London volunteered to entertain on the main stage for a set. He was joined by myself, my other son and two grandsons. It was an amazing experience to have three generations of musical "Pirates" on stage. I appreciate the hospitality of Gananoque as the host for such an event. All in all my family enjoyed the festivities and my children and grandchildren made some lifelong happy memories of the festival. I would encourage and support further Pirate Festivals in Gananoque as a fun event suitable for families.

As for the event itself, I was pleased and impressed with the event, considering that there was very little "money" to work with.

As a volunteer contributor to the 2016 pirate fest, I got a feeling of satisfaction from seeing all of the smiling faces of the children of all ages that came out to enjoy the festivities.

I think that the festival is a fine example of small town hospitality and encourage further participation in similar festivals. It is one way that Gananoque can boost it's image as a hospitable tourist destination.

I would strongly recommend that the town of Gananoque support and encourage the pirate festival as an annual family friendly event.

Have a good safe one!

Yours Truly

Gananoque Pirate Invasion—Fun at Town Park for All!

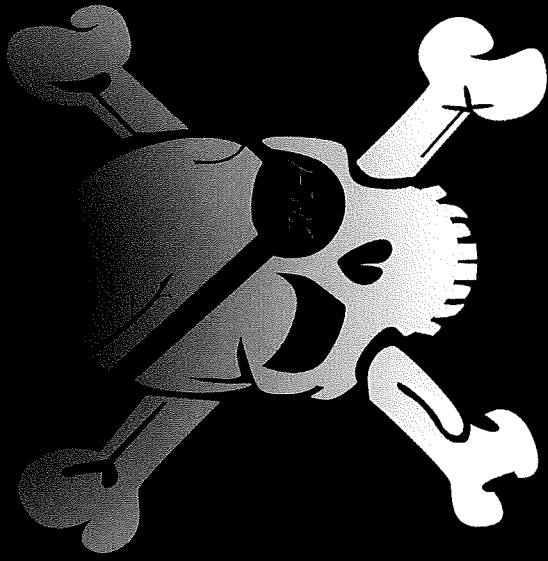

About the Award:

The International Pirate Awards occurs annually and is run by an independent organization from Burbank California.

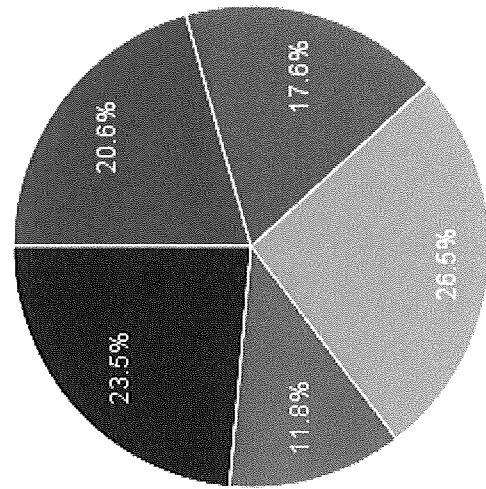

Around the world, pirates and their brethren are invited to 'weigh in' on their preferred experiences with pirate music, festivals, restaurants and taverns, and pirate mercantile. Last year Gananogue made it one to the 'map' for the first time in its 8+ year history BECAUSE it was actually focused on a truly 'Pirate' experience. This old-

fashioned Pirate-Focused approach has put the Gananogue Pirate Invasion on the same ground as much larger and well-established international festivals that see 150,000 + participants annually. This result is making ripples world-wide and it is anticipated we will see even more interest from pirates around the world. This festival is destined to be Canada's pre-eminent pirate festival and Gananogue's signature event that brings in the most festival-going tourists to the area annually !

"We Bring The Party To Your Party!"

1000 ISLAND'S PIRATE SOCIETY

This amazing organization was formed in 2014 and has rapidly become known as the most vibrant and fastest growing pirate community in Canada. With over sixty members, we now have 'Gun Crews' and Quartermasters serving in Kingston, Western Ontario, Eastern Ontario and New York with new gun crews set to start up in Quebec and Ottawa in 2016!

Formed as a result of the popularity and support of the musical and theatrical troupe, 'Capt'n Tor & The Naer Do Well Cads Pirate Invasion', Canada's foremost pirate troupe of players, thespians and troubadours, the '1000 Island's Pirate Society', is comprised of regular people that just want to put fun in their lives and know that dressing as pirates is a most effective way of letting go of the stresses of daily life.

You can meet these fine folks whenever 'Capt'n Tor & The Naer Do Well Cads Pirate Invasion' is performing whether it be at a formal performance or impromptu bar or street performance. Our Pirate Pub Crawls are becoming legendary and is the reason behind 'Pirate Invasion' in the troupe's name. Society members get to sing, dance play instruments and help recreate the atmosphere of a three hundred year old tavern. Society folks often travel hundreds of kilometers to participate in our piratey road trips.

Every performance attracts new members and any folks aligned with our goals are welcome to join us, and they too can seek and experience adventures that only a pirate's life can bring!

HUZZAH!

Baker tent standard model is as shown in photos above. No options added.

Not historically authentic to the fur trade era. However, it is widely accepted at rendezvous.

PRIVACY CURTAIN option is sewn onto the front side edge so your front corners are sealed off from wind and rain when the front flap is up.

Privacy curtain design allows you to "add a room" under the front flap by extending the curtains frontwards along the sides of the canopy and then adding a front curtain option.

Samson's AirLine 88 Headset system offers true wireless freedom without the hassle of a backpack or cable. Featuring a lightweight, water-resistant micro transmitter headset with a secure yet comfortable fit, this frequency-agile UHF wireless system provides high definition sound, premium reliability and a 300' operating range for Live Performance, Music Education, Fitness, DJ, and House of Worship applications.

Building on the legacy of the world's first cable-free wireless system (Samson's AirLine 77), the AirLine 88 Headset combines a micro transmitter and adjustable gooseneck into a low profile headset that molds to the shape of your head. Other great features of the AH8 Headset Transmitter include an internal 8-hour rechargeable lithium ion battery, easily accessible Gain and Mute controls, and IR sync to wirelessly match the receiver and transmitter frequency.
