

Dining & Artisan Guide

A high-angle, top-down photograph of a large wooden dining table. The table is crowded with a variety of dishes, including seafood like salmon and shrimp, bread, vegetables like asparagus and green beans, and small bowls of dips and sauces. Several blue plates and wooden cutting boards are used for serving. People's hands and arms are visible around the table, indicating a social dining environment. The lighting is bright, and the overall atmosphere is casual and communal.

LYNDHURST

Lyndhurst is located on the Rideau Heritage Route and is home to many unique shops, and the oldest bridge in Ontario. The love of heritage and culture in Lyndhurst is so strong that when the bridge was threatened to be replaced by a modern 2 Lane bridge, the residents organized protests that eventually convinced the government to cease and desist. In 2018, Lyndhurst was voted "runner-up" by Ontario Culture Days for their Annual September Culture Tour.

Seeley's Bay is a small village along the 2007 UNESCO designated Rideau Canal. The "Bay" was created during the building of the Rideau Canal when flooding of the Cranberry Marsh occurred in the 1830's. Known for its Annual Frost Fest, Truffle Shuffle, and Festival of Small Halls, Seeley's Bay will delight with gourmet chocolate, ice cream, and locally roasted coffee.
