AT THE GANANOQUE MUNICIPAL MARINA

The Town of Gananoque is undertaking a Municipal Class Environmental Assessment for the construction of a boat launch at the Gananoque Municipal Marina on Bay Street. The need for construction is driven by the desire for an additional boat launch.

The Municipal Class EA applies to municipal infrastructure projects including roads, bridges, water and wastewater projects. This project is designated as a Schedule 'B' undertaking, under the Environmental Assessment Act.

Public and agency consultation is an important component of the Environmental Assessment process. Public and agency input are invited for incorporation into the planning and design of the project.
