

Gananoque Fire Department

Did you know....

Smoke Alarms

Required on every level of the home and outside all sleeping areas.

Smoke Alarm Location Guidelines*

* Ontario law requires a working smoke alarm on every storey of the home and outside sleeping areas. Follow manufacturer's instructions for your specific alarm devices.

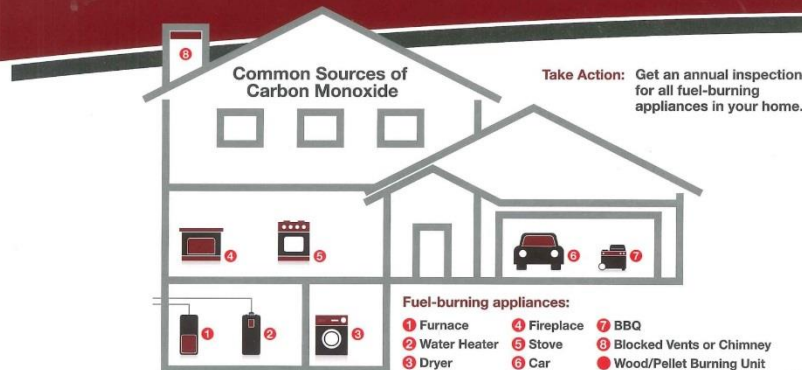

FIRE DEPARTMENT

Carbon Monoxide (CO) Alarms

Required outside all sleeping areas of the home:
If there is a fuel fired appliance or attached garage.

Carbon Monoxide Prevention*

* If the house contains a fuel burning appliance, fireplace or an attached garage, a CO alarm is required to be installed adjacent to each sleeping area in the house.

FIRE DEPARTMENT

Landlords – **Required** to provide alarms, repair any problems and replace when needed.

Tenants – **Required** to ensure alarms are working and notify landlord if any problems.

Alarms have a life span of 10 years.

It is an offence to disable an alarm.

Contact Andrew Dickson in Fire Prevention with any questions or concerns.
