	ED-2017-04 - Economic Development Strategic Plan

Council approved \$25,000 in Capital funding in the Town's budget to replace the swing sets in Oak & Steel Street Parks. Council asked during the budgeting process that we ensure our new equipment meets all legislation including any AODA standards.

We consulted a number of people including park designers from the City of Kingston, local AODA advocates and playground equipment manufacturers. It was through this approach, and some research, we determined our needs and our method to the new AODA standards in relation to parks. I will refer to these standards as Gold, Silver and Bronze with the latter.
