 OPEN SESSION

#### **RECOMMENDATION:**

BE IT RESOLVED THAT THE COUNCIL OF THE TOWN OF GANANOQUE PASS BY-LAW NO. 2019-080 TO AWARD THE TENDER FOR THE CONSTRUCTION OF THE GORD BROWN MEMORIAL (GBM) CANADA 150 RINK TO SEAWAY CONSTRUCTION & MANAGEMENT INC.. IN THE AMOUNT OF \$563,109 PLUS THE TOWN'S PORTION OF THE HST (RECOGNIZING A \$150K CASH ALLOWANCE), AND FURTHER, AUTHORIZE THE MAYOR AND CLERK TO SIGN THE ASSOCIATED AGREEMENT, AS PRESENTED IN COUNCIL REPORT RECM-2019-08.

#### STRATEGIC PLAN COMMENTS:

Sector #4 – Quality of Life – Strategic Initiative #1 – To ensure the recreation needs of our community are being met in fiscally responsible manner.

### **BACKGROUND:**

The Town of Gananoque received the award of the Canada 150 Rink in September of 2018. Thanks to the efforts of staff and volunteers on the fundraising committee, several grants were secured to help cover costs for the construction of the NHL sized rink at the Lou Jeffries Arena site. Eastern Engineering was awarded the contract as lead consultant for the design and construction of the GBM 150 outdoor rink. The Town has previously bulk purchased construction materials to take advantage of funding deadlines and also hired a refrigeration specialist separately to design the infrastructure for refrigeration plant. As the last step in the completing phase 1 of the Gord Brown Memorial Canada 150 rink, a constructor is now needed to commence the physical work to bring this project to reality.

## INFORMATION/DISCUSSION

The Town advertised tender RECM-2019-8610A on biddingo.com and the Town's website on July 5<sup>th</sup>, 2019 for the construction of the Gord Brown Memorial 150 Rink with a closing date and time of July 19<sup>th</sup>, 2019 at 12:00 pm. The Town received four (4) bids for this RFQ. The tenders were opened at Town Hall at 12:00 pm on July 19<sup>th</sup>, 2019 with Treasurer, Melanie Kirkby and Manager of Parks & Recreation, Kari Lambe in attendance.

## The submission is as follows:

Bidder	Amount exc. HST and \$150K cash allowance
SEAWAY Construction & Management Inc.	\$626,342
Gordon Barr Limited	\$708,745
Frecon Construction Limited	\$823,000
Richard D Steele Construction	\$975,794

Staff reviewed the submissions thoroughly ensuring that the proposals met the spirit and specifications required in the revised tender. SEAWAY Construction & Management Inc. (SEAWAY) was the lowest bidder while providing the best value to the Town. It should be noted that the bids include a \$150,000 cash allowance that reduces the SEAWAY bid to \$476,342.

On July 24, 2019, Council passed Motion #19-164 to direct staff to negotiate with Seaway to identify potential cost savings through scope reductions to bring the contract closer to the proposed budget/amounts fundraised.

Staff met with SEAWAY and the engineering consultant on August 8, 2019 to remove non-critical infrastructure from the scope in order to bring the construction costs within budget and bring the GBM150 project to fruition.

SEAWAY submitted a list of cost savings (Attachment #1) in the amount of \$63,233.81 bringing their overall bid to \$563,109.00 less the \$150K cash allowance for a total of \$413,109 plus the Town's portion of the HST.

## Council Report-CD-2019-06

Date:	August 13, 2019	☐ IN CAMERA
-------	-----------------	-------------

**Subject:** Model Home Agreement – SD2019-01 – Veenstra c/o 1622378 Ontario Inc.

#### **RECOMMENDATION:**

BE IT RESOLVED THAT THE COUNCIL OF THE TOWN OF GANANOQUE PASS BY-LAW NO. 2019-081, BEING A BY-LAW TO AUTHORIZE THE MAYOR AND CLERK TO ENTER INTO A MODEL HOME AGREEMENT WITH 1622378 ONTARIO INC., AS PRESENTED IN COUNCIL REPORT-CD-2019-06.

## STRATEGIC PLAN COMMENTS:

Sector 6 – Governance – Strategic Initiative #4 – Town Council will ensure openness and transparency in it operation.

#### **BACKGROUND**:

The Town issued draft plan approval for SD2019-01 – 1622378 Ontario Inc., on April 2, 2019 and a Pre-Servicing Agreement on June 13, 2019.

The proposed Plan of Subdivision will create 11 lots for a total of 33 dwelling units being semidetached and row housing.

## INFORMATION/DISCUSSION:

The Applicants, Paul and Evan Veenstra on behalf of 1622378 Ontario Inc., have requested a Model Home Agreement. A model home will provide a showcase for the developer of their works and the layout of the homes they are constructing for future buyers.

The model home was discussed during the Pre-Servicing Agreement and draft plan approval of the subdivision.

A permit can be issued as a Conditional Permit under Section 8 (3) of the *Ontario Building Code Act* by the Chief Building Official. Additionally, the Act stipulates that in considering a conditional permit there "shall be regard to restoration of the site to its original state and use if required approval are not obtained." In this regard, Staff are recommending a Model Home Agreement which includes clauses in regards to the construction of the buildings along with insurance and security in the amount of five thousand dollars (\$5,000.00).

This does not preclude the developer from constructing or obtaining mandatory inspections as per the *Ontario Building Code Act* requirements. It is essentially constructing a building on one big lot that is within the draft plan area. As there is no road frontage or maintained roadway that is part of a registered subdivision or assumed by the Town, the developers of the Model Home Agreement will provide stipulations until such time as registration.

The developer assumes all the risk with the construction of the home and there is no occupancy until the plan of subdivision is registered. The developer is required to submit required plans along with the details of access, Fire Department clearance for emergency vehicle access, temporary grading and drainage with the acknowledgement that final plan of subdivision has not been registered.

Staff have no objection to the Mayor and Clerk being authorized to sign the Model Home Agreement with 1662378 Ontario Inc.

## **APPLICABLE POLICY/LEGISLATION:**

Building Code Act, 1992.

## **FINANCIAL CONSIDERATIONS:**

All costs are borne by the developer.
