All swimming pools in Gananoque that are less than 4 feet tall must be completely protected with a fence at least 4 feet in height. Entrance to the pool area must be secured with a self-closing self-latching gate with the latch on the pool side. If the pool is 4 feet or greater in height the pool itself can act as the fence but access to the pool must still be restricted with a self-closing, self-latching gate. See the pool By-Law for more specific details regarding onsite pools
