Date	Signature of applicant

Personal information contained in this form and schedules is collected under the authority of subsection 8(1.1) of the *Building Code Act, 1992*, and will be used in the administration and enforcement of the *Building Code Act, 1992*. Questions about the collection of personal information may be addressed to: a) the Chief Building Official of the municipality or upper-tier municipality to which this application is being made, or, b) the inspector having the powers and duties of a chief building official in relation to sewage systems or plumbing for an upper-tier municipality, board of health or conservation authority to whom this application is made, or, c) Director, Building and Development Branch, Ministry of Municipal Affairs and Housing 777 Bay St., 2nd Floor. Toronto, M5G 2E5 (416) 585-6666.

PLUMBING DATA SHEET:

The undersigned, by virtue of the completion of this application, agrees to comply with all by-laws and civic regulations, it being expressly understood that the issuing of a permit does not relieve the applicant from complying with all said by-laws and civic regulations, though not called for in the specifications or show on plans submitted. The applicant further agrees that if a permit is revoked for any cause or irregularity or non-conformance of the said by-laws or regulations that in consideration of the issuing of the permit all claims are waived arising therefrom against the Town of Gananoque.

A complete application consists of the following:

- a complete building permit application form dated and signed
- a complete plumbing data sheet
- sketch of proposed work or blue print must be attached to or drawn permit application

Applicable Building Permit Fee and other Town incurred costs over and above the fees set out (See By-law 2004-63 and By-law 2007-29) being a by-law to establish general fees and rates for various services provided by the municipality)

Drainage, Venting and Potable water systems testing

Date: _____

Owner name: _____

Property address: _____

This is to certify that _____ has completed the installation of the drainage, venting and potable water system at the above mentioned address:

A. DRAINAGE AND VENTING SYSTEMS

All components of the drainage and venting system have passed one of the following tests:

1. Pressure test using air or water at the rough-in stage in accordance with OBC section 7.3.6.1.(1)
2. Final test using smoke or air pressure after the installation of all fixtures, in accordance with the O.B.C. section 7.3.6.1.(2)
3. Ball tests on all building drains and building sewers in accordance with the O.B.C. section 7.3.6.1.(5)

B. POTABLE WATER SYSTEMS

1. The entire potable water system has successfully passed the pressure test using water or air on the complete system after the installation of all fixtures, in accordance with the O.B.C. section 7.3.7.2.(1)

This will also confirm that all components of the plumbing system are marked in accordance with the relevant Canadian Standards Association (CSA) as detailed under section 7.2.1.3.(2) of the O.B.C. and no cross connections exist that would render the potable water system non-potable as detailed under section 7.6.2.1.(1) of the O.B.C. and all fixtures meet the water efficiency requirements detailed under section 7.6.4. of the O.B.C.

The plumbing system is complete and ready for operation by the building occupants.

Plumbing Company Name: _____
